

Adult Volunteer 2010-11 Youth Ministry Covenant

(PLEASE COMPLETE both sides of this form)

The Youth Ministry at Living Word desires to create a safe Christian community for all youth and adults alike. Using a covenant is a biblical way to verbalize your commitment to yourself and to the community. This is not to be seen as a list of rules but a list of needs that must be met to keep the community a safe and trustworthy place for all people.

Youth Ministry Covenant

I understand that Living Word Lutheran Church Youth events are faith-building, life-enhancing, and friend gathering events. I commit to take part fully in each event I am attending, giving it 100% and I commit to treat people and property with respect at all times. I will stick to the agenda and not wander from the premises. I will not use my cell phone during group events and activities. I will not participate in any behaviors that tear down the event or any of the participants in it. I will strive to include everyone in the activities and be welcoming to all people. I will wear clothes that are respectable and appropriate for the event or trip I am attending as well as show respect for other individuals "personal space." I will support and encourage the youth at Living Word, pray for and all involved in these programs regularly, and will do what I can to support the ministry of this church.

I understand that any uses of weapons, alcohol, drugs, tobacco, or lighters are not permitted. If I participate in any inappropriate behavior or bring the listed items I understand that I could be dismissed from volunteer with youth ministry at Living Word Lutheran Church. I understand that failure to abide to this covenant will result in consequences; one of which includes being sent home immediately at my own expense.

Above all, I understand that I am a child of God and a representative of Christ and Living Word Lutheran Church, and will act in a way that glorifies God and is consistent with Christ's teaching.
